6-12 de septiembre de 1978

Alma Ata, URSS

Patrocinada por la Organización Mundial de la Salud.

### NUTRITION PLANNING INFORMATION SERVICE

The Nutrition Planning Information Service is an international reference and information dissemination service concerned with improving human nutrition. It is the first systematic attempt to disseminate new developments in nutrition planning to practitioners, policy-makers and researchers.

Information: Nutrition Planning, 1130 Hill Steet, Ann Arbor, Michigan 48104, U.S.A.
